

Amendment B  
Inventor(s) Name: Gu, et.al.  
Attorney Docket No.: 1559 WO/US

**REMARKS**

The Specification has been amended to correct typographical errors and to include the priority claim under 35 U.S.C. § 119(e). No new matter was added by these amendments.

Claim 13 is amended as written above to correct a typographical error ("step b" and "step c" are added). Applicants respectfully assert that no new matter has been added by way of this amendment. Accordingly, 25 claims (Claims 1-7, 9-16, 18-21, and 23-28) are presented for examination, 6 claims of which are independent. With the entry into National Phase under 35 U.S.C. 371, Applicants paid fees for 23 total claims and 6 independent claims. Thus, Applicants believe that fees may be due under 37 CFR 1.16(h) & (i) for two additional claims. In the event that fees are due, please apply any charge or credit to Deposit Account No. 13-1160.

The Examiner is invited to contact applicants' undersigned representative with any questions.

Respectfully submitted,

Date: Oct. 26, 2006

Christine R. Cooke
